A screenshot of a web form showing a dropdown menu for 'Fuel Type'. The dropdown is open, displaying five options: Diesel, LPG, ULP, Other, and Unknown. A mouse cursor is hovering over the 'Diesel' option. The dropdown menu has an orange header bar with a downward arrow on the right side. The background of the form is white, and the dropdown menu has a light blue background.

Vehicle Category Dropdown Field

You can now use the Vehicle Category Dropdown to Categorise your vehicles:

- B-Double Truck
- B-Triple Truck
- Crane
- Default vehicle
- Digger
- Dump truck
- Forklift
- Garbage truck
- Large bus
- Large car
- Large utility
- Large van
- Loader
- Medium bus
- Medium car
- Medium van
- Mower
- No fuel use
- Prime mover truck
- Quad bike
- Rigid truck
- Small bus
- Small car
- Small utility
- Small van
- Specialised
- Street sweeper
- Tractor
- Unknown

The screenshot shows a web interface for 'Vehicle details'. It has a blue header bar with the title 'Vehicle details'. Below the header is a navigation bar with five tabs: 'Vehicle', 'Details', 'Picture and Icon', 'Vehicle Alerts', and 'Thresholds'. The 'Details' tab is currently selected. The main content area contains several input fields for vehicle information: 'Registration', 'Model', 'Type', 'Engine Number', 'Price', 'Joined Fleet On', 'Licenses required', 'Fuel Economy', 'Contract Reference', and 'Notes'. The 'Vehicle Category' field is a dropdown menu that is currently open, showing a list of vehicle categories. The categories listed are: B-Double Truck, B-Triple Truck, Crane, Default Vehicle, Digger, Dump Truck, ForkLift, Garbage Truck, and Large Bus. The 'B-Double Truck' option is highlighted in blue.

AVM 4 Release Update April 2019

Additional Parameters added to the User Activity report

- All selected users
- All selected users who have logged in during report period
- All selected users who have not logged in during report period
- All selected user who have not logged in the last X number of days

The screenshot shows the Netstar user activity report interface. At the top right, there are navigation tabs: VEHICLES, DRIVERS, RUNS, and MANAGEMENT (highlighted in orange). Below these is a blue header bar with 'REPORTS' on the left, a 'Filter' search box, and a 'Favourite' button. Below the header bar are three dropdown menus: a first one with a minus sign, 'Summary', and 'User Activity'. The 'User Activity' dropdown is expanded to show 'ADDITIONAL PARAMETERS' with four radio button options: 'All selected users' (selected), 'All selected users who have logged in during report period', 'All selected users who have not logged in during report period', and 'All selected users who have not logged in the last 7 of days' (with a spinner control for the number 7).
